

## Music Education for Busy Adults

*Technology Music and Arts for Adult Students*

**Piano Distributors of Sarasota** offers a wide range of musical instruction for fun as well as wellness. A very popular program for "Busy Adults" is called Technology Music and Arts. Directed by O'Lyn Callahan, TMA is a comprehensive music education system designed to let adult students express themselves through popular music at the **Yamaha Clavinova Digital Piano**. Teaching everything from the basics of music to advance musical expression the TMA philosophy is basic. To bring the joy of music-making to as many people as possible, and to encourage the maximum creative potential in each of our students.

Call O'Lyn Callahan at (941) 927-2965 for more information about this phenomenal program.

New sessions are forming now!
